

Audi R8 Window Airbox Lid

Carbon fiber window airbox for Audi R8 V8 & V10 models

Audi decided to put the engine of their magnificent R8 on display under a glass bonnet. Extending this idea, Carbonio has offered R8 owners the option of putting their performance air filters on show with their carbon fiber window airbox lid. Fitting in the place of the stock airbox cover and perfectly matching the OEM Audi engine bay carbon, this part uses Perspex windows to offer onlookers a rare glimpse into the induction system of the R8.

FEATURES:

- Autoclaved pre-preg construction with carbon weave that matches OEM Audi carbon fiber engine bay components
- Clear coated with automotive urethane and hand polished to a mirror finish
- OEM perfect fit
- Perspex windows that resist UV deterioration
- Unlimited mileage guarantee
- Can be used in conjunction with Carbonio intake system and purchased as an optional upgrade over the solid carbon fiber cover with same placement and size as OEM
- Unlimited mileage guarantee

APPLICATIONS:

- All 2006+ Audi R8 fitted with V8 or V10 engine
