

Ferrari 430 High Volume Airboxes

Increased volume carbon fiber airboxes for Ferrari 430 models

The metal airbox lids Ferrari fitted to the F430 not only retain a huge amount of heat, but their shape is hardly optimized for best airflow. This was corrected with the Scuderia and 16M models that received a re-shaped and increased volume airbox lid. These parts do not fit the standard F430 so Carbonio made Scuderia airbox lids that bolt directly to the stock F430. Crafted from carbon fiber and finished to a jewel finish, this kit includes performance air filters that give the 430 a nice increase in sound and performance.

FEATURES:

- Autoclaved pre-preg construction with carbon weave that matches OEM Ferrari carbon fiber.
- Clear coated with automotive urethane and hand polished to a mirror finish
- OEM perfect fit
- Installs in less than 10 minutes
- Unlimited mileage guarantee

PERFORMANCE:

- Power increase: 10-12 hp
- Torque increase: 9-12 lb/ft

APPLICATIONS:

- All 2004+ Ferrari F430 models except Scuderia and 16M

RETAIL PRICE:

\$1490.00
