

Ferrari Cup Holder

Carbon fiber cup holder for Ferrari 355, 360, 430, 456, & 550 models

Ferrari gave little thought to modern drivers who generally prefer the comfort of a drink rather than a cigarette while driving. The Carbonio cup holder addresses this oversight with an autoclaved carbon fiber replacement for the factory ash tray that neatly holds a beverage of your choice. Installation is easy and is totally reversible. A practical touch for your exotic.
