

Mercedes AMG 63 Performance Airbox

For all Mercedes AMG models fitted with the '63' engine

Improving on AMG's fantastic 6.3L V8, our beautifully finished carbon fiber performance airboxes increase both engine power and torque. In addition, their increased volume and optimized shape smoothen power delivery and sharpen throttle response. A great stand alone modification and an essential upgrade to vehicles with exhaust and or software upgrades. Kit includes: pair of airboxes, performance air filters, & replacement front engine cover.
